The Honorable Bill Frenzel
U.S. House of Representatives
Washington, D.C. 20515

Dear Mr. Frenzel:

Thank you for your letter of 29 February to Mr. John McMahon concerning [redacted] who is interested in employment with this Agency after his retirement in an overseas capacity.

STAT

Our Director of Personnel advises me that candidates for overseas employment are usually assigned to the Washington area for a period of time before being transferred overseas. Also, we could not guarantee assignment to a certain overseas region--it would depend on the time an employee came on board and what opportunities may be available at that particular time. We make every effort to consider the employee's choice of location, but it is not always possible to make an assignment on that basis. I should add that normally overseas tours are for a period of two to three years.

In the event [redacted] would like to be considered for employment with us in the Washington area that may lead to an assignment overseas, I am enclosing a set of preliminary application forms. When the completed forms are received, his qualifications will be reviewed by appropriate officials to determine whether we have an opportunity for him commensurate with his background and experience. He will be contacted directly when this review has been completed.

We appreciate your writing in behalf of [redacted]
